Museums and Data Bases

California Native Plant Society (CNPS-RC) Unpublished Nevada County field notes and data bases compiled by both the Sacramento office and the Redbud Chapter of the California Native Plant Society, Grass Valley, CA. [2000, 2001 records search]

CalFlora: Information on California plants for education, research, and conservation. [web application]. 2002. Berkeley, CA. Available online: <http://www.calflora.org>

Electronic database of California plant collections and observations from 18 herbaria and databases, including UC Berkeley Herbarium, Jepson Herbarium at UC Berkeley, California Academy of Sciences, Harvard University Herbaria, Dean W. Taylor Herbarium, San Jose State University Herbarium, U.C. Davis Information Center on the Environment, California Department of Food and Agriculture, California Native Plant Society, California Department of Fish & Game, and USDA Forest Service.

California Department of Fish and Game's Natural Diversity Data Base for Nevada County, Sacramento, CA (2001, 2002 records searches)

Garcia and Associates (GANDA). Unpublished reports and field notes in the files of Garcia and Associates Natural and Cultural Resources Consulting (GANDA), San Anselmo, CA, Nevada City, CA.

Jones & Stokes. Unpublished reports and field notes in the files of Jones & Stokes wildlife and fisheries biologists from Nevada County. Sacramento, CA.

Sierra Foothills Audubon Society, unpublished Nevada County field notes and databases, Grass Valley, CA (2001 records search)

Tahoe National Forest wildlife and fisheries files, Nevada City, CA (2001, 2002 record searches by U.S. Forest Service personnel)

University of California, Museum of Vertebrate Zoology, Berkeley, CA (2001 records search)

University of California, Wildlife Museum, Davis, CA (2001 records search)

University of Nevada, Vertebrate Museum, Reno, CA (2002 records search)

Personal Communications

Chainey, M. 2002. Nevada County wildlife biologist. Review comments on animal species lists.

Erman, N. 2002. E-mail on the status and distribution of caddisflies in Nevada County.

Lukas, D. 2002. Nevada County wildlife biologist. Review comments on animal species lists.
